# Definitions of Effectiveness

# Spotlight on Standard 3 and 10

## **Standard 3. Equity and Cultural Responsiveness**

Effective educational leaders strive for equity of educational opportunity and culturally responsive practices to promote *each* student's academic success and well-being.

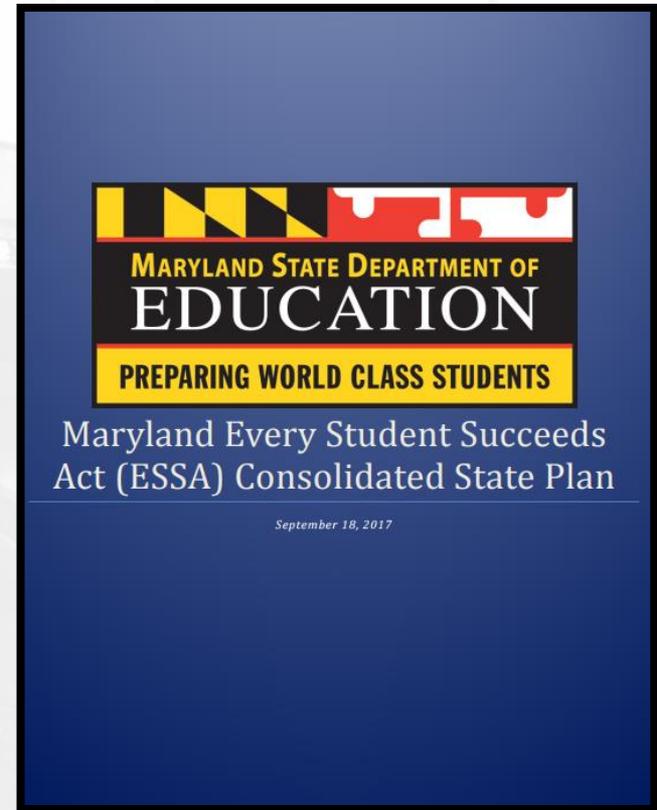

## **Standard 10. School Improvement**

Effective educational leaders act as agents of continuous improvement to promote each student's academic success and well-being.

# Equity in ESSA

- Determine equity gap for a school and/or LEA based on student groups
- Emphasis on equitable access to instructional programs and effective educators

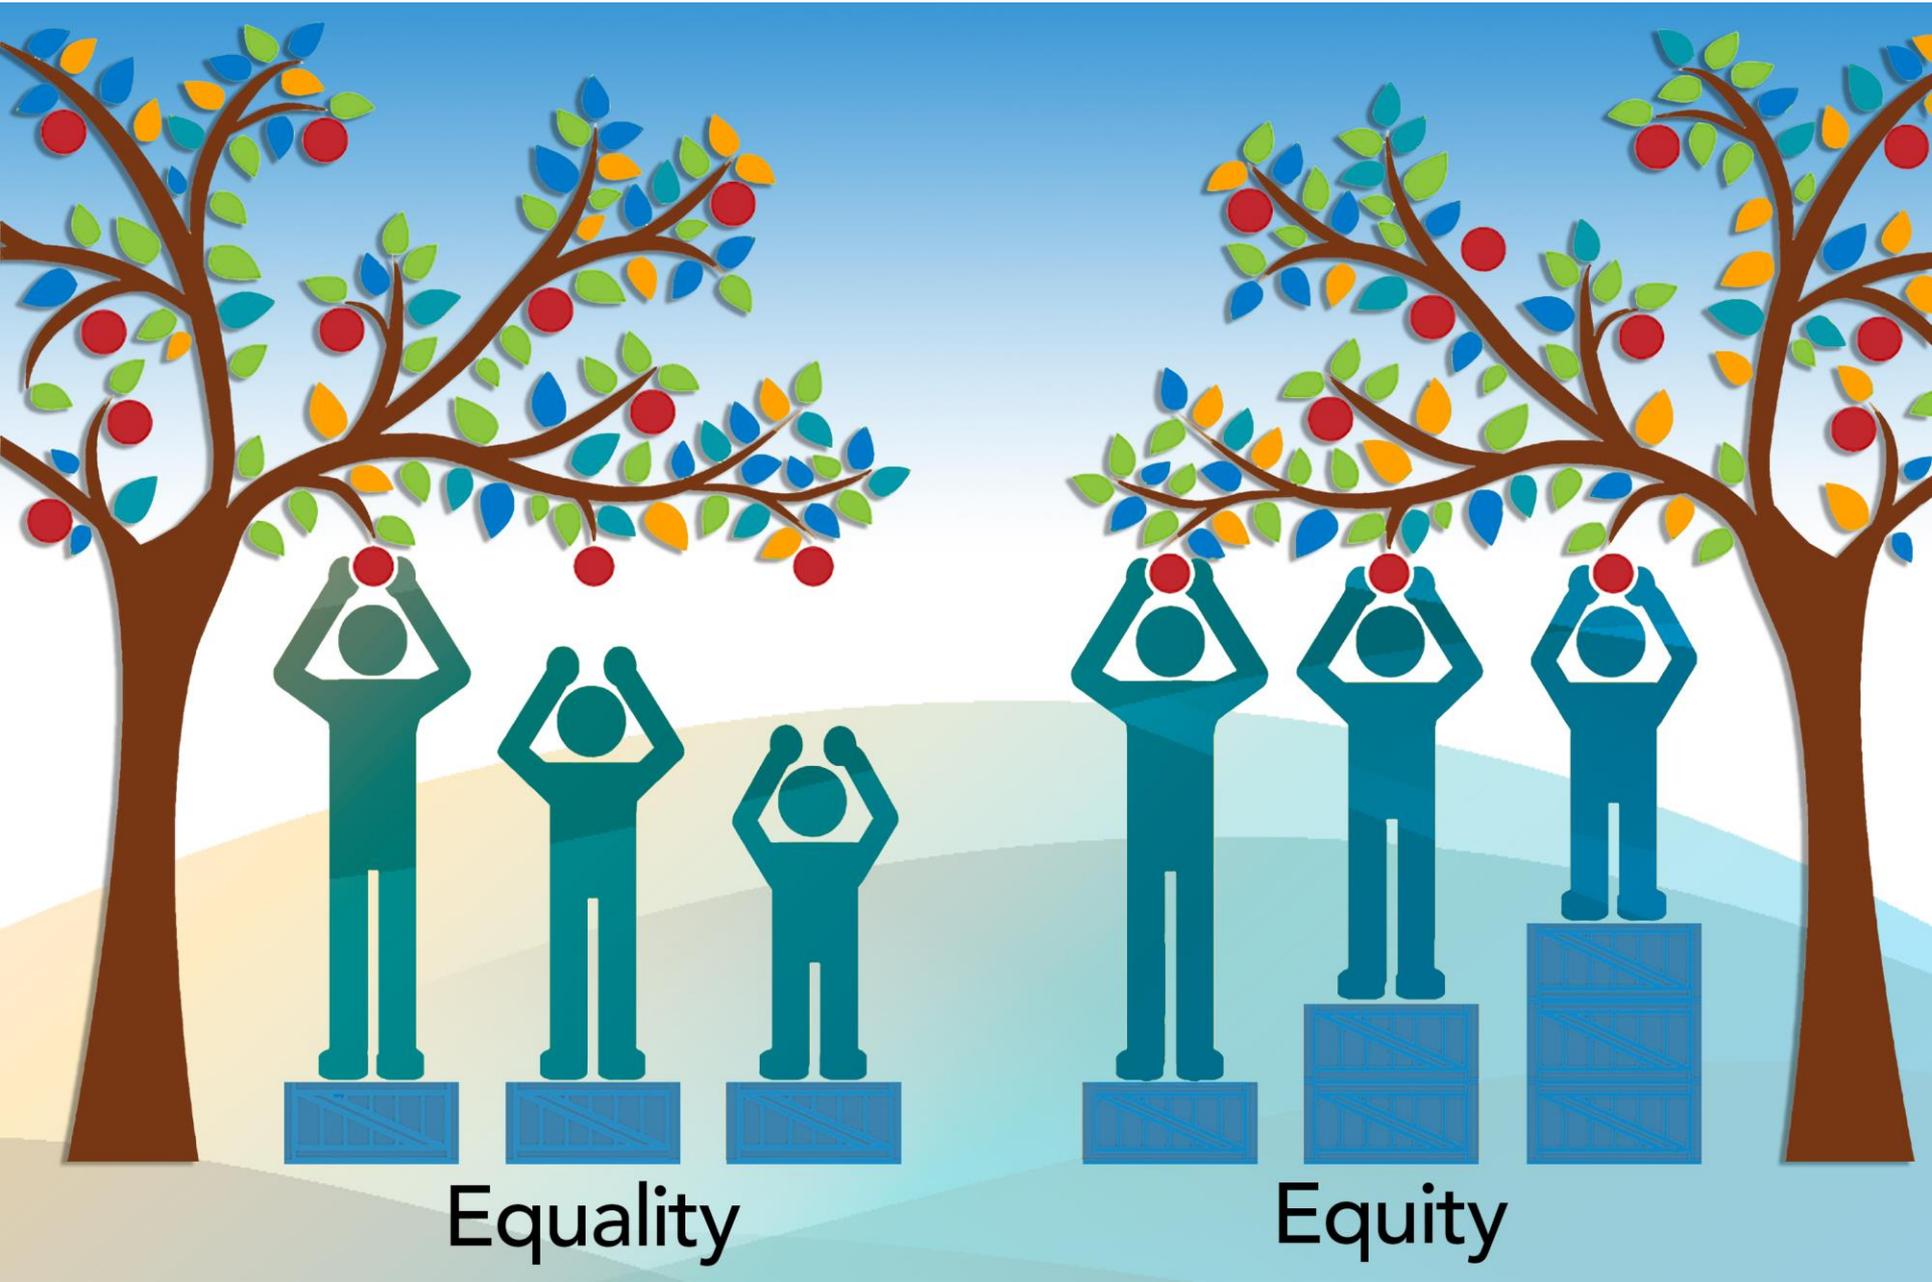

# Equality vs. Equity

*“To truly level the playing field, educators must move beyond a focus on equality and start demanding equity. By focusing on equity we expand our offerings beyond student placement. And in doing so, we can broaden our vision to include not only equity for students of all races and ethnicities but also for students of all socioeconomic statuses...”*
